

## 2008 Presidential Primary Calendar

Last updated January 3, 2008

As it stands right now 34 states will hold presidential primaries or caucuses on or before February 5, with 24 of these contests to be held on February 5. The following lists presents candidate selection process in date order. A list in [state order](#) is also available. All dates are subject to change, and a handful of states, including Michigan and New Hampshire, are virtually certain to change their dates.
